

# SUMMER FUN POOLS & SPAS

12532 ST. RT. 45 • LISBON, OHIO  
**330-424-7665 (POOL)**

## Company History

**1968** - Company founded by Don and Dolly Campbell in the basement of their West Point home. At the time Don was the only installer and salesperson so Dolly and their kids ran the store from the family home.

**1971** - Relocated the company to a warehouse in Lisbon. Soon thereafter they built a health club in Lisbon, of course with an indoor pool! (The building is currently occupied by Columbiana County Health Department.)

**1972** - Relocated the business to its current location on State Route 45 just 4 miles South of Carter Lumber.

**1973** - Don began adding pools to the pool park. The first years there were only 2 fully functional in-ground swimming pools on display.

**1974** - A new additional showroom was added to the pool business.

**1980** - The grocery store was established in another addition to the building.

**1981** - Summer Fun began displaying and selling spas and hot tubs.

**1985** - The Campbell family began an additional business which was a national video company within the same building. The second story was added for the video business.

Throughout the 70's, 80's and 90's and even to present the pool park has been an ever changing and expanding asset. Currently, we display 6 fully functional in-ground swimming pools, 2 semi-in-ground swimming pools and 2 above ground swimming pools.

**2006** - Summer Fun began selling infrared heaters for people's homes during the winter months.

**2009** - We lost our beloved Father and founder of Summer Fun Pools, Campbell's Grocery and Fun Video Systems to cancer on April 22nd.

**2009** - Dolly decided to transfer ownership of the companies to the children. She continues to work full-time between the two businesses.

**2009** - We expanded the line of semi-in-ground pools to include Radiant, Ultimate and Aqua Star.

**2010** - Summer Fun added poly-wood furniture and Pergolas to its product lines.

**2011** - Summer Fun renovated 2 of its pools and added Jandy deck jets, water fountain liner over step, and pool side basketball features on our display pools. We created a modified kidney from our existing Octagon pool. We also remodel our sales offices.

**2012** - We replaced liner in the Grecian swimming pool to show our most popular design for the year.

**2013** - We added a resin fence beside the Grecian pool.

**2014** - We added a Typhoon slide on the 20 X 40 pool. We added an under liner steps, new liner and grey coping on the True L. In addition, we added the artisan handrails, and a dive with water fall on the Lazy L. We also put new liner in the 20x40 Rectangle.

**2015** - We changed the liners in the Lazy L and the Modified Kidney to show some newer liner patterns. We added a small 10x20 patio pool that is designed for small yards.

**2016** - We added some Above Ground pool model displays.

**2017** - We installed a 16x32 Oval Semi IG pool in our pool park.

**The Campbell family realizes that our livelihood depends on you, our customers.  
We want you to know we really appreciate you and your business.**
