

**Who is Medallion Pools?** A nationally recognized manufacturer since 1960. Medallion Pools is known for innovative design, quality, durability, and affordable prices. Medallion Pools is a third generation family business that focuses on quality and affordability while maintaining a high level of customer service for every customer.

**Are we Limited By Shape and Design?** If you can dream it, Medallion Pools can manufacture it. With over 160 standard shapes and sizes you are sure to find the pool that best fits you. However, if you have something in mind, get together with your Medallion pool dealer and create the pool of your dreams. Rectangles, kidneys, freeforms, and custom pools, anything is possible when you have a Medallion Pool.

**Which Pool Wall Material Is Best?** If you want to have options you have chosen the right company. Medallion Pools manufactures pools out of aluminum, galvanized steel, and stainless steel. With options like this rest assured you will be able to get the best material for your yard conditions. Once again, options and flexibility are why Medallion Pools has been making family's dreams come true for over half a century.

**What About Quality And Manufacturing?** Medallion Pools uses high quality products for its pool wall material. Our products have proven strength and durability. The manufacturing process is state-of-the-art. With computerized technology to ensure the most precise cuts and measurements, you can rest assured your Medallion Pool will be just what you ordered.

The following diagrams illustrate some of the many pool shapes available from Medallion.

Your Local Medallion Pool Dealer Is:

Medallion Swim Pool Company, Inc. tries to associate with the best pool contractors and dealers. Dealers and contractors installing Medallion pools are independent business people and Medallion Swim Pool Company, Inc. does not assume any responsibility for the installation, service performed or statements made in reference to our products by these independent dealers. Decking, siding, brick work, and other forms of finished work and material around the pools shown are for illustrative purposes only and are not part of the pool package. It is up to the independent dealer to provide safety ropes and floats, safety diving signs, and safety instructions. It is the homeowner's responsibility to make sure all safety signs are in the proper location and maintained. It is the homeowner's responsibility to guard the pool against unsupervised, unauthorized, or unintentional entry. Failure to obey safety and warning signs or follow the rules can cause permanent injury or death.
