In addition to the pool kit costs, if you want to have local contractors the average cost runs between \$18,000- \$25,000 depending on the size of the pool. The gravel backfill run an average of \$2500-\$3,000. The other costs would include wiring, water, concrete and fencing. These price lists can be obtained from Summer Fun Pools with the initial meeting to discuss pool size and shape you are most interested in.
